

# Product Requirements Document (PRD): LIL DITTO MVP

**Version:** 1.0 (MVP)

**Status:** Finalized for Development

**Brand Identity:** Punk/Metal/Indie Rock

---

## 1. Executive Summary

- **Objective:** To launch a high-impact, single-page digital hub for LIL DITTO that establishes brand identity, showcases core media, and captures fan contact data.
  - **Core Hook:** *"The sound of a basement on fire."*
  - **Primary Goal:** Mobile-first fan engagement and lead generation (email capture).
- 

## 2. Target Audience

- **The Die-Hards:** Fans looking for merch and show alerts.
  - **The Curious:** Listeners from social media (TikTok/IG) verifying the band's "vibe."
  - **The Industry:** Promoters or curators looking for a quick visual/audio snapshot.
- 

## 3. Functional Requirements (Single-Page Scroll)

### A. Hero Section

- **Visual:** Full-screen vertical video loop (muted) or high-contrast logo splash.
- **Copy:** *"SELFISH."*

### B. Media Hub

- **Audio:** Embedded Spotify or Bandcamp player.
- **Video:** Embedded YouTube player for the primary music video.

### C. Notification Capture (Point 1)

- **Placement:** Directly following the Media Hub.
- **Copy:** *"GET THE ALERTS. Don't miss the next set or the first drop. No newsletters, just the noise."*
- **Action:** Single email input field with a **NOTIFY ME** button.

### D. About Section ("The Noise")

- **Copy:** *"LIL DITTO is the high-voltage glitch in the system. Born in DIY basements... No polish, no filters—just heavy riffs and the kind of energy that leaves your ears ringing for days."*

### E. Visual Pit (Gallery)

- **Format:** Mobile-optimized, swipe-enabled masonry grid.
- **Content:** High-energy live photography and gritty press shots.

### F. Merch Teaser

- **Status:** "DROPPING SOON."
- **Visual:** Distressed/grainy product mock-up.
- **Copy:** *"The first batch is in the press. Limited run. No reprints."*

### G. Notification Capture (Point 2)

- **Placement:** Footer (Final Call).
  - **Copy:** *"STAY LOUD. We'll tell you when the pit opens. That's it."*
  - **Action:** Single email input field with an **I'M IN** button.
- 

## 4. Technical & Mobile Specifications

- **Architecture:** Single Page Application (SPA).
  - **Mobile Priority:** \* Minimum tap targets of 44x44 pixels.
    - Thumb-zone optimized button placement.
    - Lazy-loading for all images to ensure <2s load times on LTE.
  - **Social Deep-Linking:** Large, tappable icons for **Snapchat, Instagram, TikTok, and Facebook.**
-

## 5. Success Metrics

- **Conversion Rate:** Percentage of visitors who provide an email.
- **Retention:** Average scroll depth (Goal: 75% of users reach the Merch section).
- Time on site
